The Monarch® 9825™ Tabletop Bar Code Printer

Outstanding features and value in bar code printing.

The Monarch® 9825™ Tabletop Bar Code Printer

When you want value for your money, the Monarch 9825 Tabletop Bar Code Printer is hard to beat. It's the most economical and reliable tag and label printer in its class. You'll get all the great productivity-enhancing features you've come to expect from the Monarch® 9800® Series printers, including larger supply capacity for fewer reloads, customer-replaceable printheads and best in-class ribbon control, at an affordable price.

Monarch®
Products & Services

High Value. Affordable Price.

Drive Cost Out of Your Operations!

The Monarch 9825 Tabletop Bar Code Printer is loaded with features to help you run your distribution center, manufacturing facility or retail store more efficiently and economically. The printhead is customer replaceable, reducing costs and eliminating printer downtime. *Less downtime means more product through the pipeline for more money and greater profits!*

Experiencing ribbon wrinkles? The Monarch 9825 Tabletop Bar Code Printer has dual ribbon control to help eliminate those troublesome wrinkles*, saving you time and money.*

The Monarch 9825 Tabletop Bar Code Printers "Fail Safe Dot Shifting" feature helps ensure you won't print a bad bar code. It automatically corrects for "bad dots" and the "Gray Box Alert" prints a gray box in place of an invalid bar code when dot shifting can't fix the problem. *This helps eliminate unreadable bar codes.*

When you need a high performance bar code printer that's durable, reliable and easily integrated on-line, Paxar has the solution - The Monarch 9825 Tabletop Bar Code Printer!

Crisp, Accurate Bar Codes at Full Speed!

Productivity enhancements include:

⇨ 200-meter supply rolls and 600-meter ribbons *require 31% fewer stops to reload*

⇨ Easy, fast, intuitive supply loading *decreases downtime*

⇨ DC powered cart version available for *increased mobility and productivity!*
